

Attached is the curriculum vitae of Dr. Virginia Price, whose Rule 1.132 declaration was provided in the previous response. The c.v. was inadvertently omitted from the declaration.

Also attached is a Supplemental Information Disclosure Statement that provides a copy of EP 417563 that has a publication date of March 1991, and consequently is not prior art.

In summary, applicants believe the claims as amended are in condition for allowance and respectfully request the issuance of a favorable action upon reconsideration.
